Healthy Growth Home Church Guide 9.27.2026

We are so encouraged by the response and feedback we've gotten this month related to the covenant partnership with Christian Assembly, the new name of our church "Garden Assembly", and the plans to expand to a total of five locations across central Ohio.

Below is a list of questions to reflect on and discuss as part of your Home Church gathering, this Sunday. After you spend some time in worship (**celebration**), discuss the questions below (**conversation**). These will help make space for your home church to express thoughts, fears, and anxieties (**confession**), as well as areas of excitement and joy as we move forward. Close your time together by receiving the bread and cup of Jesus (**communion**) as we all commit to abide in Him as we move forward into the next phase of this season of healthy growth.

1. When you think about all the growth and changes happening right now, what is the first emotion or thought that comes to mind? Why?

2. What are you most excited about in this new season, and why?

3. What, if anything, are you finding difficult or uncomfortable about the changes?

4. What do you think we, as a church family, need from one another during this time?

5. What do you think our leaders and pastors need from our church family during this time?

6. As you pray about this new season, what are you asking God to do in you and in our church?

7. What do you think God is asking of, and inviting you into?
