Prophetic Word 2026:

I am pleased by the way you have set your faces toward devotion and obedience, as well as your delight in being set apart as my holy people. Make every effort to keep the work of advancing my kingdom and stewarding your identity as priests as the first priority in your life. Your families, your relationships, your occupations are all second; give me the first place! Beware of the enemy's tactics to oppose the work you are doing for my kingdom by using intimidation, fear and discouragement to keep you from carrying out your assignments. You must set your minds and vision not just to what is seen, but what is unseen, becoming familiar with dwelling in my presence in the still and quiet places. Here I will stir up your spirit so that you will be equipped with security, protection, peace and preservation to overcome every work of the enemy.

I am going to expose hearts that do not know me as Father as an invitation to repent and receive the spirit of adoption that will be like a seal upon your heart, joining us together so that nothing can come between us. Reject an orphan spirit, and with your tongue declare your adoption into an eternal family. I will keep you and give you increased grace and mercy to dwell and remain in your eternal family on earth as it is in Heaven. In the depths of your surrender comes the depths of your refinement. You're learning to love the process and learning to move in the tension because that's where you find the fullness of Me.

You will see that what I have cultivated in you will go to the cities and the nations in 2026. I am releasing new levels of vision; eyes that will see me. As you expand across the city to the north, south, east, and west, you will also expand across the nations. In 2026 I am giving you a greater piece of my plan. I am maturing what I have put before you.

3 C's alignment:

- **Communion:** Being With Jesus is Our Greatest Pursuit
    - Consistency in carving out time to dwell in the presence of the Lord and become familiar with His ways, His vision, His voice is always to remain our first priority before all things. It is in the presence of the Lord that we become equipped to walk out any callings or assignments that He has put before us.

- **Community:** Where We Become More Like Him
    - When we fully embrace the reality of our adoption into an eternal family with the Father, Son, and Spirit, we cannot neglect the community of fellow believers that we are also brought into family with. The only way to fully engage with the Family of God is to intentionally position ourselves in close relationship with our fellow believers. Together we walk out surrender to the Lord and invite His refinement.

- **Cultivation:** We Will Bring His Kingdom Everywhere We Go
    - God desires us to have the expectation that we will impact the whole earth through the power of His Spirit. When we receive His vision and plans, we will be able to partner with Him to impact our city, our nation, and beyond the borders of every nation.

Action steps:

1. **Position your heart to have the Lord's kingdom as your first priority**
    a. Set aside time to sit with the Lord and ask Him to search your heart (Psalm 139:23) to expose if there are any places in your life that you elevate in priority over the Lord in your affection, attention, or resources. As He reveals to you, repent and ask Him to reorient your heart to give Him the first place. Set one commitment of change to the Lord to walk out practically so that you can steward the shift He is asking you to make.
    b. **Action step connection to prophetic word:** Make every effort to keep the work of advancing my kingdom and stewarding your identity as priests as the first priority in your life. Your families, your homes, your occupations are all second; give me the first place!

2. **Encounter the Glory of God unto increasing your spiritual sight and being equipped in the Spirit for what is needed to carry out your assignments**
    a. It is God's desire for His people to pursue knowing Him deeply and intimately. Experiencing His glory is one way that we have the immense privilege of this. All throughout scripture we read about men and women individually and corporately encountering the tangible presence of God and seeing His glory. These

examples in scripture are invitations to us to get to take part in a relationship with Him in the same ways.

i. 2 Chronicles 5:11-14- After the priests first consecrated themselves, they worshipped through singing and proclaiming the goodness of God and praised Him for His enduring love. Then the weighty glory of God filled the temple and they laid on their faces before Him. In order to encounter the glory of God we have to wait on Him, revere Him, and respond rightly when He shows up.

ii. Exodus 33:18-23 and 34:1-7- When Moses asked to see the glory of God it led to an encounter with God's name, character and His goodness being revealed. If we are going to encounter His glory we have to ask. This was a part of Moses' equipping to lead the people of Israel.

iii. Matthew 17:1-13- Peter, James and John saw Jesus glorified before them on the Mount of Transfiguration. This prepared them to lead the early church after Jesus' ascension. If we're going to encounter the glory of the Lord we have to respond to His invitations and be willing to inconvenience ourselves. Climbing the mountain was necessary for Peter, James and John to encounter the glory of Jesus.

iv. 2 Corinthians 4:6- The glory of God is revealed in the face of Jesus. So we must pursue beholding and gazing upon Jesus if we want to see and encounter the glory of God.

b. Schedule out 10-15 minutes a week that you will set aside as a time of stillness seeking to draw near in the presence of the Lord. At the beginning of your time, ask the Lord to encounter His glory, increase your spiritual sight, and stir up your spirit towards the things of His Kingdom. Allow your soul and mind to be quiet, tarrying in His presence with no agenda but to listen to Him. We wait on Him with confidence that He will come to meet with His people! Write down anything He speaks to you in insight and vision to strengthen and encourage you in any places that you feel weary.

c. For further study:

i. Instances of the glory of the Lord filling His Holy Places: Exodus 40:34-35, 2 Chronicles 7:1-3, Haggai 2:1-9, Ezekiel 43:1-9, Acts 2:1-4

ii. Instances of Moses invited to dwell in the presence of the Lord and encounter His glory: Exodus 40, Exodus 33:7-11, Exodus 33:19-20

d. **Action step connection to prophetic word:** Beware of the enemy's tactics to oppose the work you are doing for my kingdom by intimidation and stirring up fear and discouragement to keep you from carrying out your assignments. You must set your minds and vision not just to what is seen, but what is unseen, becoming familiar with dwelling in my presence in the still and quiet places. Here I will stir up your spirits so that you will be equipped with security, protection, peace and preservation to overcome every work of the enemy.

3. **Confess your sin and receive the Spirit of Adoption:**
    a. In your sphere of community (community groups or home church) confess your orphan mindset and ask the Holy Spirit if you need inner healing or deliverance to receive your identity as a child of God through the Spirit of adoption.
    b. **Action step connection to prophetic word:** I am going to expose hearts that do not know me as Father as an invitation to repent and receive the spirit of adoption that will be like a seal upon your heart, joining us together so that nothing can come between us.

4. **Speak the truth boldly to renew your mind and come into an eternal reality:**
    a. Set time aside to tuck away with God The Father. At the start of your time, ask Him to show you where you live from a place of not having a loving, good Father as a God. Write it down! Find scripture that speaks to God's character as a Father and the place you have in the eternal kingdom to come. Ask Jesus to renew your mind by rejecting your old mindset and reading the scripture out loud to receive the new mindset.
    b. **Action step connection to prophetic word:** Reject an orphan spirit, and with your tongue declare your adoption into an eternal family. I will keep you and give you increased grace and mercy to dwell and remain in your eternal family on earth as it is in Heaven.

5. **A committed lifestyle of surrender and refining**
    a. Take time to reflect and put language to what season you're in, what God is asking you to surrender, and where He is refining you. Once you identify those, find scripture to pray over each one. Ask the Lord to sift you and search you, repent when needed.
    b. **Action step connection to prophetic word:** In the depths of your surrender comes the depths of your refinement. You're learning to love the process and learning to move in the tension because that's where you find the Fullness of Me.

6. **Living in the confidence that you have a part in God's plan:**
    a. Identify what blue print the Lord is releasing to you for your city and the nations. Do practical things to keep the why in front of you, so the enemy can't come and steal what's before you! Examples of this in prayer could look like:
        i. What is God asking you to do in this season?
        ii. How is He asking you to partner with Him in prayer and in action, in your individual walk or corporately?
        iii. Label the "why". Find a scripture that motivates our "why" when partnering with Him to advance His kingdom?
    b. **Action step connection to prophetic word:** You will see that what I have cultivated in you will go to the cities and the nations in 2026. I am releasing new levels of vision; eyes that will see me. As you expand across the city north south

east west you will also expand across the nations. In 2026 I am giving you a greater piece of my plan. I am maturing what I have put before you.
